## Project: Ensuring Participatory Decision Making Processes at Regional and National Levels by Empowering NGOs/CSOs

### Project Leaflet

This Leaflet has been produced with the assistance of the European Union. Its contents are the sole responsibility of the Beneficiary and do not necessarily reflect the views of the European Union

## Project Activities

## Project Brief

The Project launched in February 2018 is aimed at strengthening Civil Society Organizations (CSOs) in 4 Regions of Georgia – Mtskheta-Mtianeti, Imereti, Racha-Lechkhumi and Samtskhe-Javakheti, as well as it is pursuing the objectives of raising awareness of the broader society on the Environmental Impact Assessment and Strategic Environmental Assessment and Encouraging Civil Participation in Decision Making Process.

The Project duration is 30 months and it is implemented by the following consortium:

**The Greens Movement of Georgia / Friends of the Earth - Georgia (GMG/FoE-Ge)** is a non-profit organization aimed at protecting the environment through public, awareness raising and educational campaigns, lobbying and advocacy, analytical work and field actions. GMGE/FoE-GE seeks to increase public participation and democratic decision-making on the protection of the environment and the sound management of natural resources. Established in 1989, the GMGE/FoE-GE is

one of the largest and oldest environmental, member-based, organisation in Georgia. It has 41 local groups throughout the country with more than 2000 members.
